

## PROFESSOR, PETER AND PAULA

### 2024 TAX LETTER

We hope this helps you and your tax advisor prepare your Income Tax Return.

#### TAX DOCUMENTS

We know of the following income sources and accounts, for which we expect you to receive a corresponding tax document. We recommend checking for each of these and sharing anything you've received with your tax preparer.

Account Description	Expected Tax Document
Online Savings Account	Form 1099-INT
Joint Brokerage Interest, Dividends, and Capital Gains	Form 1099 Consolidated
Roth Conversion for Paula	Form 1099-R

#### 60 DAY ROLLOVERS

You made a distribution from a retirement account that got deposited back into a retirement account within 60 days. Form 1099-R will not show this as a tax-free rollover, as custodians do not take a view on whether the rollover took place within the required 60 days and if all other rules were followed.

We are aware of the following distributions that were subsequently replaced within 60 days:

We recommend supplying details of all 60 day rollovers to your tax professional.

Description	Amount
5/24/2024 - Peter Indirect Rollover of Vanguard 401(k) to Schwab IRA	\$60,000.00

#### ROTH CONVERSIONS

You completed a Roth conversion during the year. These transactions are reported on Form 8606 of the tax return. Note that the end of year balance for all IRAs is needed to determine the percentage of a Roth conversion that is considered after-tax basis vs. taxable.

We are aware of the following Roth conversions:

We recommend supplying details of all Roth conversions and end of year balances to your tax professional.

Description	Amount
